**Deadline for School fees payment:
17th April 2026**

Greetings!

Dear HH Parents,

The Easter holiday is here. It has certainly been a very busy term for all the staff and children and we look forward to the chance to relax and re-energise for the last term of the session!

Despite the many challenges that we continue to be faced with in our nation, one thing constantly shines through and that is your children. From the moment that I see them come through the gate, to moving around the school, to popping into lessons and saying goodbye at the end of the day, they always manage to put a smile on my face and brighten the day in a way that only children can.

As always, the term has been packed with learning and all sorts of opportunities to bring learning to life. We have had STEAM week, World Book Day, Grade 4 Burger Date, Bible Club Picnic (The Last Supper), Sports Day, Jesus and the Passover (Role Play) as well as Club Specials. It has truly been a learning term. Well done to the staff and students.

I would also like to say a big well done to all the children in Grade 4 for their attitude and effort and how they are constantly striving to produce their best as they prepare for Common Entrance Examinations. I know that they will do themselves proud. It is certainly important to ensure that they have a good break and a rest to recharge the batteries but it is also essential that they continue with a little bit of work to ensure they are committing information to their long-term memory. All the children have their study guides and I would ask that you ensure they make good use of these over the Easter holiday to keep the brain ticking over. If you have children in remedial class or going through a form of learning therapy/intervention, please ensure they are fully engaged for a minimum of 30 minutes daily.

As we move into the third term, the Pre-elementary children will be drilled intensively as they approach their final observation and assessment in the Nursery. I will be working very closely with the Head Teachers to ensure the children are fully prepared to receive the external assessors.

As always, I hope you and yours are able to enjoy some quality time together. I very much look forward to seeing the children back in school on Tuesday 21st April for a fruity resumption and fantastic third term.

With very best wishes,
Dumebi Ezar Ehigiator
Head of School, Hadassah Hall.

REPORT CARD:

A Report card has been issued to each child. All Report Cards must be returned to the Teacher on Duty on the first day of school. Report cards that have been torn or soiled will not be accepted. Replacement of a lost Report Card is N10,000 only.

STAFF TRAININGS:

In April, a staff training for our staff will focus on technology, improved classroom management, new discipline techniques, and specific subject matter expertise. It will hold for three days.

SCHOOL FEES PAYMENT:

Hadassah Hall expects that fees are paid during the holidays and proof of payment submitted before resumption. This aids with early planning and new intake admissions. Please note that we have limited spaces and payment of fees confirms your child's resumption in April. We also expect fees to be paid in full before the beginning of every term. Please request for school fees schedule before making payment.

DEADLINE FOR PAYMENT OF 1ST TERM FEES IS FRIDAY, 17TH APRIL 2026.

As a reminder and for the sake of our new parents, we have one accepted method of fee payment: Make an online payment to the account number on your fees schedule and screenshot of payment with child's name via WhatsApp (08188881819). We are thankful to parents who have made payment already. Thank you for your cooperation. Please ensure you have your access cards on you on the first week of resumption.
