Greetings!

DEAR HH PARENTS & GUARDIANS,

What a beautiful, productive and wonderfully busy school session it has been! As the 2025/2026 academic session draws to a close, we pause to look back with immense gratitude - to God Almighty for His infinite mercies upon our school community, and to each and every one of you, our incredible parents and guardians, for your unwavering support, trust, and partnership throughout this year.

From the moment your children walk through our gates each morning to the moment we wave them goodbye at the end of the day, they never fail to put a smile on our faces. They are, without question, the very heart of Hadassah Hall - and it is a privilege and a joy to be entrusted with their learning, growth, and development.

A YEAR IN REVIEW: SEPTEMBER 2025 - JULY 2026

This session has been packed with learning, laughter, milestones, and memorable moments. Here is a summary of the highlights we shared together:

FIRST TERM (SEPTEMBER - DECEMBER 2025)

We kicked off the session with energy and purpose. Our staff settled the children into routines beautifully, and the first term set a strong academic foundation across all classes. Despite a few early-term challenges, we navigated them together through open communication and a shared commitment to excellence. We closed the term proud of every child's effort and growth.

SECOND TERM (JANUARY - APRIL 2026)

The second term was truly a learning term in every sense of the word. It was packed with enriching activities that brought learning to life beyond the classroom:

- STEAM Week - where our young thinkers explored science, technology, engineering, art, and mathematics through hands-on activities.
- World Book Day - celebrating the joy of reading and storytelling.
- Grade 4 Burger Date - a special reward and bonding experience for our upper primary pupils.
- Bible Club Picnic: The Last Supper - a meaningful re-enactment that brought scripture to life.
- Sports Day - a fantastic display of teamwork, sportsmanship, and school spirit.
- Jesus and the Passover Role Play - a powerful and educational dramatisation for our children.
- Club Specials - showcasing the talents and progress of our various clubs.

We also give a special well done to our Grade 4 pupils who worked diligently as they prepared for their Common Entrance Examinations. Their attitude, resilience, and effort throughout the term was truly commendable. We are immensely proud of them.

THIRD TERM (APRIL - JULY 2026)

The final term of the session was nothing short of spectacular. After a thorough three-day staff training focused on technology, improved classroom management, new discipline techniques, and subject matter expertise, our team resumed re-energised and ready to give our pupils their very best. The term was filled with:

- International Day of the Boy Child (15 May) - celebrated with our Boys' Day Out event, themed 'God's Greatest Heroes.' Our boys dressed in Blue & White for a morning dedicated entirely to them.
- Children's Day (27 May) - a joyful public holiday celebration honouring every child at Hadassah Hall.
- Colour Week (8-11 June) - a vibrant, fun-filled week where each day had a different colour theme: Black & White, Neon Colours, Nature Colours, and School Colours.
- International Day of the African Child (16 June) - marked with Ankara attire in celebration of African identity and heritage.
- Etiquette Club Tea Party (15 June) - our Nursery pupils gathered for tea, social graces, and sweet memories in chic formal wear - a truly charming event!
- Pre-Elementary Final Observation & Assessment (8 July) - parents were invited to observe their children's progress in a formal setting, a proud milestone for our youngest learners.
- End of Session Examinations (6-10 July) - our pupils sat their final examinations with focus and determination.
- Teachers' Hangout (22 July) - a special appreciation event for our amazing staff, celebrating their dedication, love, and hard work throughout the year.

CO-CURRICULAR CLUBS

Throughout the session, our clubs ran consistently as a core part of our pupils' development. Our End-of-Term Club Activities showcased the breadth of our co-curricular programme, which included Gardening Club, Red Cross Club, Home Makers Club, Etiquette Club, Cooking Club, Abacus Club, Literary & Debate Club, Reading Club, Music Club, Bible Club, and Dancing Club. Attendance and participation in clubs formed part of each pupil's co-curricular assessment score, and we are pleased with the enthusiasm shown across the board.

A SPECIAL CONGRATULATIONS: STAR HAVEN CHIME

This year, Hadassah Hall Elementary marks a very special first: the graduation of our very first pupil from Elementary into Secondary school.

Haven Chime, we are immensely proud of you. You sat for the Common Entrance Examination and several other rigorous entrance examinations into secondary school, and not only did you rise to the challenge - you excelled. You have earned admission into a prestigious secondary school with high entry requirements, and that is no small feat. It is a testament to your hard work, your intelligence, and the grace of God upon your life.

Haven has been a shining example to every pupil at Hadassah Hall. She carried herself with grace, led by example, and brought a quiet but powerful energy to everything she did. She has been a true leader - the kind that lifts others simply by being herself. We have thoroughly enjoyed having her in our Elementary, and she will be very, very deeply missed.

TO HAVEN'S PARENTS:

Thank you for entrusting us with such a remarkable young person. You have raised an extraordinary child, and we have been honoured to play a part in her story. We know that the very best chapters are still ahead of her.

A PRAYER FOR HAVEN:

Heavenly Father, we commit Haven into Your loving and faithful hands as she steps into this new and exciting season of her life. Lord, go before her. Give her wisdom beyond her years, a hunger for knowledge, and the courage to stand firm in who she is and whose she is. Surround her with good friendships, dedicated teachers, and every good thing she needs to flourish. Let her light continue to shine brightly in every room she enters, and may she always know that she is loved, capable, and deeply valued. Guide her steps, protect her path, and let Your wonderful purpose for her life unfold beautifully. We release her with joy and with faith, knowing that the God who brought her this far will never, ever let her go.

In Jesus' name, Amen.

THANK YOU

None of what we have accomplished this year would have been possible without you. You have been so much more than school parents - you have been compassionate, supportive, and genuine educational partners. Thank you for trusting us with your most prized possessions. Thank you for responding to our communications, attending our events, and engaging with us to make Hadassah Hall better every single day. Thank you for supporting your children's learning journey at home and reinforcing the values we nurture at school.
